 EXCLUSIVE

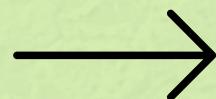

INTERVIEW

Step 1

Start with the Present

If you are a fresher :

“I’ve recently completed my degree in Human Resource Management and actively participated in campus events and internships to gain hands-on experience...”

If You’re Experienced:

"I'm currently working at XYZ Company as an HR Executive, where I lead our L&D programs and optimize employee engagement strategies..."

💡 ***Tip:*** Open with what you do now and the value you’re creating.

Step 2

Mention Relevant Past Experience

If you are a fresher :

"I've led a college event for 70+ attendees and interned at XYZ Company, where I assisted in onboarding and recruitment tasks..."

If You're Experienced:

"Over the last 3 years, I've worked across talent acquisition, employee engagement, and data-driven HR projects in the IT and services sector..."

 ***Tip:*** Highlight 1–2 relevant experiences. Keep it crisp, not chronological.

Step 3

Connect to the Future

If you are a fresher :

“I’m now looking for an HR role where I can contribute to a people-first culture and keep learning in a fast-paced environment.”

If You’re Experienced:

“Now, I’m looking to step into a strategic HRBP role where I can drive growth through culture and analytics.”

💡 ***Tip:*** Show intent. Show growth. Show alignment.
